Prow torpedoes		30 cm	9		Front
SPECIAL • The <i>Wage Of Sin</i> is a unique vessel; only one may ever be in a Chaos fleet. • It is a ponderous vessel and may not use <i>Come To New Heading</i> special orders. • Mark of Slaanesh: This ship bears the Mark of Slaanesh as part of its point cost; it does not have to be paid for separately by the ship's commander. • Flagship: If chosen, the <i>Wage Of Sin</i> must be used as the fleet's flagship and have its Warmaster placed aboard it unless the Planet Killer is also present, in which case a Chaos Lord must lead it. This vessel may only bear the Mark of Slaanesh. It cannot be used in any fleet that has World Eaters Chaos Space Marines or any vessels bearing the Mark of Khorne unless the fleet is being led by Abaddon the Despoiler, as there remains unforgivable animosity between the World Eaters and the Emperor's Children dating from the Battle of Skalathrax. • Palace of Pleasure: The glittering domes and spires of this ancient vessel are dedicated to every perverse and extreme form of stimulation imaginable, and a retinue of Noise Marines have made it their permanent conveyance. This ship always counts as being crewed by Emperor's Children Chaos Space Marines (included it its cost), following the rules on pg. 217.
