SPECIAL	Grunt assault ships embark huge crews of Ork boarding parties and are equipped with tractor fields, powerful boarding drills, etc.				
	• These ships are equipped with a tractor field and must be mounted on a large 60 mm base. • They roll 2D6 against an opposing ship when ramming. • Count as 2HP when determining their boarding value (before other modifiers). • Due to their poorly distributed mass, they cannot use <i>Come To New Heading</i> special orders.				
OPTIONS	• Grunt assault ships can be equipped with Klaws for +5 points for each vessel, not per skwadron.				

Orks are masters of crude improvisation and salvage, and nowhere is this more apparent than the Grunt assault ship. Easily mistaken for the Brute ramship visually, it is in fact fitted with a huge tractor field generator, giving it the graviometric imprint of a battleship class vessel. It carries a heavily armoured piercing prow as well as boarding chambers for a mass of Orkish warriors ready to rush aboard in a green tide. If not for the poorly distributed mass of the Grunt, it would make a truly fearsome opponent against other escorts, though its lumbering approach run is well-suited against capital ships.
